ENJOY EVERY MOMENT SPENT OUTDOORS

Station Grill is a Canadian company that offers high-end, durable and maintenance free products. All our outdoor kitchens, small and large, are designed and built with precision, originality and in harmony with your living space.

Station Grill offers high quality products that blend artfulness and elegance to bring you unique and original designs that will add the final touch to your home.

To have our signature, a product must be at the cutting edge of design, creativity and innovation. Thus, we pour all of our expertise into building outdoor kitchens that fit your needs.

AN EXCEPTIONAL PROJECT

Incomparable scenery!

The outdoor kitchen is the perfect family gathering place. Cook with a commanding view of the lake for idyllic summers.

HEART OF YOUR OUTDOOR SPACE

It's a gathering place, a sharing space where unforgettable moments are created with your loved ones. It's the place where bonds are strengthened, where every moment spent with your family and friends becomes a cherished memory.

OUR COLLECTIONS

Each customer is unique, with different tastes and needs. Station Grill offers four collections of colours and finishes to match your living space.

PUR

Our PUR Collection is made of HDPE, an exceptionally weatherproof material. The polymer panels used have slim V-shaped edges and a lightly

CLASSIC

The CLASSIC collection is made of HDPE. This collection is characterized by its "V"grooves, on the doors and drawers, that give it a distinctive, timeless shaker look.

LUX

Our LUX Collection uses a decorative aluminum panel inserted into an anodized aluminum frame. Our LUX Collection comes in glossy or matte finish for a modern looking outdoor kitchen.

NATUR

The Natur collection is made of water repellent white pvc covered with a polymer finish for increased durability. This collection offers a wide variety of wood grain finishes and solid colors with a satin finish, for a natural look that will blend in with the surroundings.

SIGNATURE PANELS

Define your outdoor kitchen with style. The signature panels are 2 ¼ inches wide and used to add the finishing touch on every outdoor Station Grill kitchen. They delineate the cabinets nicely and create a recess to protect the front of the doors from inclement weather. The Signature and rear finishing panels are available in Lux Collection colours and finishes.
